

Hello Senior Counselors:

It is time again for the Dollar General Bowl's "Student of the Month" Scholarship Program presented by the C Spire 1st & 10 Club. Last year we were able to award \$11,500 in scholarship money to local students! I have attached the application which may be printed for your students. We have two deadlines. The deadlines are **September 14th** and **October 2nd**.

Remember, it is up to you whether you choose the students to submit or whether you open the application up for anyone that is interested. We encourage and accept all applications. Just a reminder for you - We are not necessarily looking for the tip-top students or athletes. We are looking for the "all-round" young man or woman in your senior class that is involved in school and the community, or the student that has overcome an obstacle that has affected their life in one way or another.

The application is available on-line at www.dollargeneralbowl.com and may be downloaded at any time. The application may be submitted electronically or by mail.

If any of you have any questions, please feel free to call me.

I look forward to meeting some of your students this year!

Dollar General Bowl Scholarship Program Essay

Choose **one** of the following essays. The essay should be typed, double spaced and completed on a separate sheet of paper. The essay should be 500 words or less and your name should appear on the upper right side of each page.

- 1) What are your major accomplishments, and why do you consider them accomplishments? (Do not limit yourself to accomplishments you have been formally recognized for since some accomplishments that may seem trite at the time become crucial when placed in the context of your life.)

- 2) What was the most difficult time in your life and why? How did your perspective on life change as a result of the difficulty?

- 3) What is your strongest, most unwavering personality trait? Do you maintain strong beliefs or adhere to a philosophy? How would your friends characterize you?

***The final paragraph of all essays should include your possible college choices and majors.
